## What do we do?

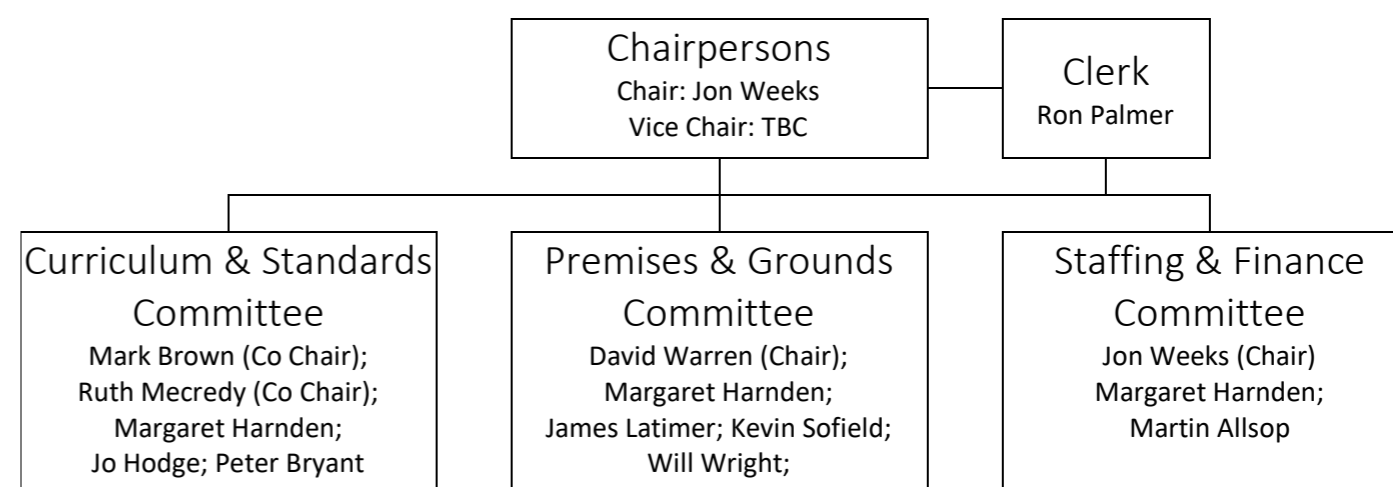

We provide strategic leadership and accountability for the school by setting the school's aims and policies. Our key role is to:

- Ensure clarity of vision, ethos and strategic direction;
- Hold the headteacher to account for the educational performance of the school and its pupils, and the performance management of staff; and
- Oversee the financial performance of the school and make sure its money is well spent.

The full School Governing Body meets once per term. As well as sitting on the full School Governing Body, we each have delegated oversight of different areas and are organised into various committees.

We are supported by our Clerk, Ron Palmer.
